

HANOVER SCHOOL DIVISION

Description: **Interactive Digital Media**
Niverville, MB

Competition: T19-NH-IDM-01

Location: Niverville High School

FTE: 1.000-FTE

Start Date: SEPTEMBER 03, 2019

Term of Employment: PERMANENT

Salary: Discussed upon hire

Application Deadline: 4:00 P.M., FRIDAY, MAR. 01, 2019

NHS, opening September 2019, is seeking a qualified teacher/instructor who is interested in establishing a high school Interactive Digital Media program and passionate about developing the industry skills with students.

The instructor must be proficient and have industry experience in the area of graphic design & interactive digital media, and encourages inquiry, collaboration, and creativity.

This is a new position and the chosen applicant will play a lead role in program development. They will help design the learning environment and provide recommendations for the purchase of hardware and software for the purpose of creating a dynamic 21st century IDM program. Formal training and work-based experience in the industry is required and the successful candidate will be required to complete a one year technical vocational teaching certificate if they do not hold a bachelor's degree in education. The instructor must have strong industry connections and the ability to stay current with the most recent changes in technology and industry standards.

Program development will utilize the Manitoba Technical Vocational Education curriculum through a project-based approach that combines technology and artistic skills to create authentic interactive digital media applications. Students will learn the knowledge, skills and attitudes required to develop and produce interactive digital media projects, such as apps, games, websites, virtual worlds, and cross-platform media. Students will gain knowledge and skills in digital design, asset creation, coding and project management. Students will be exposed to the professional aspects of making a living in interactive digital media, learning all aspects of the profession, including the entrepreneurial skills to pursue self-employment.
